

PARISH LOCATIONS

CHURCH

A building that needs little introduction!

As you enter the main glass doors by the statue of St. Philip, this area is often referred to as the vestibule. A general gathering space for before and after Masses and a great place to find information about upcoming events or to see if there are any tickets on sale.

Just off the vestibule to your right as you look at the doors that you use to enter Church, you will find our Crying Room and Parish Library.

In this room are bookcases filled with Faith based books for you to borrow to help you on your journey. The Crying Room is available during all Masses to help make our families with young children more comfortable while still being a part of Mass.

The restrooms in Church are to the left side of the vestibule as you look at the doors that you use to enter Church.

Our Reconciliation Room, where confessions are heard every Saturday at 3:30 pm until just before our 4:30 pm Mass is located just past the windows of the Crying Room on the right side within Church itself.

If you are looking to light a 7 day vigil candle, those can be found on either far end of Church, in front of the stained glass murals. Our Holy Water is located on the right side of Church by those vigil candles.

Finally, be sure to see our Relic of St. Philip, also located on the right side of Church, by that stained glass.

MSGR. JASINSKI PARISH CENTER

Our Parish Center is a multi-use building. In here most of our events and meetings are held. If your child is in our Faith Formation program, they will also have class here. And don't forget about our weekly bingo on most Friday evenings!

The Parish Center Main Hall is our large gymnasium style room with an attached kitchen.

The East Wing is located to the right as you enter the main doors of the Parish Center and houses many of our mid-sized meetings.

To the left as you enter our Parish Center are our classrooms, the Faith Formation Office, as well as the restrooms.

You can also find our Music Ministry Office in this building.

PARISH RECTORY

This is our Main Parish Office. It is located in the middle of our other two buildings. You can come to our Office for your tax letters, Letters of Recommendation, request Mass Intentions for your special events and to remember your loved ones, to set up Baptisms, Weddings, and Funerals, as well as to drop off your collection envelopes. This would also be where you can donate your books for the Parish Library or leave items for our many Parish Organizations.
